Settlement Expense recorded in 2019 Audited Financial Statements

On September 15, 2019, the Company announced that it had reached an agreement in principle on a framework for settling the U.S. opioid litigation facing the Company with twenty-four (24) state attorneys general, analogous officials from five (5) U.S. territories, the Plaintiff's Executive Committee in the MDL, and co-lead counsel in the MDL. In connection with this agreement in principle, the shareholders of the Company are expected to contribute their ownership in the Company to a trust or other entity established for the benefit of claimants and the American people and a minimum of \$3.0 billion, with the potential for substantial further monetary contributions from the sales of their ex-U.S. pharmaceutical businesses. The Company has concluded that for accounting purposes a loss has been incurred and has recorded a provision in the amount of \$3.0 billion, in accordance with ASC 450, Accounting for Contingencies. This accounting provision of \$3.0 billion was recorded retroactively to December 31, 2018. The Company expects this amount to be paid by the shareholders of the Company. The Company will reclassify the liability associated with the cash settlement that is expected to be paid by the Company's shareholders to equity as a capital contribution if the settlement agreement is finalized and executed.

Settlement Agreements Entered into in 2020 and other Contingencies

The debtors historically updated contingencies as part of their year end review with their auditors, Ernst and Young. That process is ongoing for year ended December 31<sup>st</sup>, 2020 and as of this reporting, the Debtors have not completed their assessment of the adjustments required to accruals for settlements entered into during 2020, other claims made against the Debtors or settlement discussions that are ongoing, as described below:

A. DOJ Settlement with Debtors

The United States Department of Justice (the "**DOJ**") filed claims against the Debtors in the aggregate amount of at least \$12.5 billion relating to the Debtors' past practices related to the production, sale, marketing and distribution of opioid products.

On October 21, 2020, the Debtors entered into (i) a plea agreement (the "**Plea Agreement**") with the United States, acting through the United States Attorney's Office for the District of New Jersey (the "**NJ USAO**"), the United States Attorney's Office for the District of Vermont (the "**VT USAO**"), and the United States Department of Justice, Civil Division, Consumer Protection Branch ("**DOJ Consumer Protection**"), and (ii) a civil settlement agreement (the "**Civil Settlement Agreement**") and, together with the Plea Agreement, and including the settlements contemplated thereby and the other terms and conditions thereof, the "**DOJ Resolution**") with the United States, acting through the United States Department of Justice, Civil Division, Commercial Litigation Branch ("**DOJ Commercial Litigation**"), NJ USAO, and VT USAO and on behalf of the Office of Inspector General of the United States Department of Health and Human Services ("**HHS-OIG**"), the Defense Health Agency, acting on behalf of the TRICARE Program, 10 U.S.C. §§ 1071-1110b ("**TRICARE**"), and the Office of Personnel Management.

Under the Plea Agreement, PPLP agreed to plead guilty to three counts as detailed in the Plea Agreement: (i) a dual-object conspiracy to defraud the United States in violation of 18 U.S.C. § 371 and to violate the Food, Drug, and Cosmetic Act in violation of 21 U.S.C. §§331, 333(a)(1) and 353, all in violation of 18 U.S.C. §371, (ii) conspiracy to violate the Federal Anti-Kickback Statute related to Purdue's payments to healthcare providers, contrary to 42 U.S.C. § 1320a-7b(b), in violation of 18 U.S.C. § 371; and (iii) conspiracy to violate the Federal Anti-Kickback Statute related to Purdue's payments to Practice Fusion, a cloud-based EHR platform, contrary to 42 U.S.C. § 1320a-7b(b), in violation of 18 U.S.C. § 371.

The Bankruptcy Court approved the Debtors entering into the DOJ Resolution on November 17, 2020. The DOJ Resolution provides for the following:

1. a \$2 billion criminal forfeiture judgment which will be treated as an allowed superpriority administrative claim in the bankruptcy (the "**DOJ Forfeiture Judgment Claim**");

In re: PURDUE PHARMA L.P., et al.,  
Debtors

Case No.: 19-23649 (RDD)  
Reporting Period December 1, 2020 to December 31, 2020

2. \$3.544 billion in criminal fines which will be treated as an allowed, unsubordinated, undisputed, non-contingent, liquidated general unsecured claim in the bankruptcy (the **"DOJ Criminal Fine Claim"**); and
3. a \$2.8 billion civil damages claim which is an allowed, unsubordinated, non-contingent, liquidated general unsecured claim (the **"DOJ Civil Claim"**), subject to certain rescission rights on the part of DOJ.

While the total amount of claims under the DOJ Resolution is \$8.3 billion, only the \$2.8 billion DOJ Civil Claim was allowed by the 9019 order approving the DOJ Resolution. The other two claims will become allowed upon the later of (i) the entry of a judgment of conviction by the United States District Court for the District of New Jersey (the **"District Court"**) and (ii) confirmation of a chapter 11 plan of reorganization for the Debtors (the **"Plan"**).

The timeline for plan confirmation and emergence from chapter 11 is expected to include, among other things, (1) the Debtors filing a Plan, an accompanying disclosure statement (the **"Disclosure Statement"**), a motion to approve the Disclosure Statement and solicitation and noticing procedures and materials (the **"Disclosure Statement Motion"**) and a related scheduling motion (the **"Motion for Schedule and Protocols"**), (2) entry of orders granting the Disclosure Statement Motion and Motion for Schedule and Protocols following a hearing, (3) voting on the Plan by the claimants and (4) confirmation of the Plan by the Bankruptcy Court following a hearing.

Pursuant to the Plea Agreement, the sentencing hearing in the District Court is expected to take place at least 75 days following confirmation of a Plan (and at least seven days before emergence). Prior to the sentencing hearing:

Purdue may withdraw from the Plea Agreement if: (1) the Bankruptcy Court rejects, or otherwise declines to confirm, a Plan that provides for the emergence of a public benefit company (or entity with a similar mission); or (2) the HHS-OIG exercises, or states an intent to exercise, any available authority to exclude PPLP's successor public benefit company (or entity with a similar mission) from participation in federal healthcare programs. At the sentencing hearing, the District Court will decide whether to accept the Plea Agreement; if the District Court rejects the Plea Agreement, Purdue or DOJ may withdraw from the Plea Agreement. If the District Court accepts the Plea Agreement at the sentencing hearing, it will enter the \$2 billion forfeiture judgment and a judgment of conviction will be entered soon after the sentencing hearing.

Upon entry of the judgment of conviction, and so long as a plan of reorganization has been confirmed, then:

1. the \$2 billion DOJ Forfeiture Judgment will be treated as an allowed superpriority administrative claim in the bankruptcy; and
2. the \$3.544 billion DOJ Criminal Fine Claim will be treated as an allowed, unsubordinated, non-contingent, liquidated general unsecured claim in the bankruptcy.

Pursuant to the Plea Agreement, the United States has agreed to provide offset credit (the **"Forfeiture Judgment Credit"**) for value conferred upon the non-federal government creditors up to \$1.775 billion out of the \$2 billion DOJ Forfeiture Judgment Claim provided that the Debtors: (i) obtain confirmation of a Plan that provides that all of the Debtors' assets are transferred to a public benefit company (or entity with a similar mission); and (ii) distribute at least \$1.775 billion of value to state, tribal, and local governments in satisfaction of their claims, with such funds to be dedicated to abatement programs. PPLP will make a \$225 million upfront payment to the United States within three business days following the entry of a judgment of conviction pursuant to the Plea Agreement. The remaining \$1.775 billion of the DOJ Forfeiture Judgment Claim is expected to be satisfied through the Forfeiture Judgment Credit.

If the Bankruptcy Court does not confirm a Plan of Reorganization in the Chapter 11 Cases that provides for the emergence from the Chapter 11 Cases of a public benefit company (or entity with a similar mission), Purdue and the United States each have the option to rescind the Civil Settlement Agreement.

#### B. Sackler Settlement with the DOJ

On October 20, 2020 Named Sacklers entered into an agreement with the DOJ to pay two-hundred twenty-five million (\$225,000,000) plus interest on the Settlement Amount at the rate of 0.75% from November 5, 2020 on the later of (i) fifteen (15) days after the effective date of the Agreement or (ii) three (3) business days after the date on which the Bankruptcy Court grants a Motion to Confirm (as defined in Paragraph 2). The Bankruptcy Court granted a Motion to Confirm on November 18<sup>th</sup>, 2020.

In re: **PURDUE PHARMA L.P., et al.,**  
**Debtors**

**Case No.: 19-23649 (RDD)**  
**Reporting Period December 1, 2020 to December 31, 2020**

C. Other Claims

The Bankruptcy Court for the Southern District of New York set the deadline to file a claim against the Debtors as of July 30, 2020 (the “**Bar Date**”). With certain exceptions, persons and entities that wished to assert a claim against the Debtors that arose prior to September 15, 2019 were required to file a proof of claim before the Bar Date in order to be treated as a creditor with respect to such claim for purposes of voting and distribution. Over 619,000 claims were submitted in advance of the Bar Date, with an asserted value of over of \$140 trillion.

The Company is in the process of reviewing, analyzing, and reconciling filed claims, and at present, the allowed amounts of such claims are not determinable. The Company expects the claims resolution process will take significant time to complete. As the amounts of the allowed claims are determined, adjustments will be recorded to liabilities subject to compromise and reorganization expenses due to bankruptcy.

D. Ongoing Settlement Discussions with Sacklers

As noted above, the Debtors recorded a provision of \$3.0 billion representing the minimum contribution from the shareholders, which is included as a liability subject to compromise as a retroactive adjustment to December 31, 2018. As settlement discussions progress, the Debtors will consider whether an increase in loss will need to be recognized. The Company expects any settlement amount to be paid by the shareholders of the Company. The Company will reclassify the totality of the ultimate liability recorded, to equity as a capital contribution when a settlement agreement is finalized and executed.
